**Update: Churches of Christ Disaster Relief Effort**

We had one of the busiest Marches in years, sending 39 shipments in that month alone. Some area homes are still under water, so those people have not had a chance to even start cleaning yet. The damage is as bad in many areas as it was after Hurricane Katrina. The recovery is going to take a long time, and the majority of the area is low income.

The Churches of Christ Disaster Relief Effort immediately responds to any major disaster in the continental United States by sending truckloads of emergency food, water, cleaning, and other supplies to disaster victims through a local Church of Christ working with us in the area of the disaster. We are a 501(c)(3) non-profit corporation. Only fifteen employees are paid in the entire organization. Unpaid volunteers are the secret to the success of our organization.

Every food box, hygiene box, infant care box we send are exactly alike. All families get a food box with the same contents as their neighbors. The donations from congregations and individuals that support us, along with ordering direct from brokers and manufacturers, allow us to purchase needed supplies in large volume, at extreme discounts, whenever we need them. We are able to stretch your donation dollar to buy 3-4 times what you could purchase at retail prices. Purchasing these items allows us to be better organized, know the inventory we have, and buy the size of items we need.

TOTAL SUPPLY VALUE GIVEN YEAR-TO-DATE in 2016

**\$3,959,911**

The Oak Hill congregation gives \$200 monthly to this mission effort to help those who are in need during a major disaster.

**Do You KNOW YOUR BIBLE?**

He has shown you,  
O man, what is good;

But to do justly, To love mercy, And to walk humbly with your God?
